Event appointment booking via Microsoft Bookings

Your privacy is important to us. Before proceeding with the booking of an appointment, we ask you to carefully read the privacy policy below.

Collection and Use of Personal Data

During the process of booking an event in our stand during the Essen fair, we may collect and process some personal information provided by you. This data includes name, surname, telephone, email address, company name and other information relevant to the reservation. We will use this information in order to manage and confirm your booking through BOOKINGS, communicate with you about your appointment and provide you with an efficient and effective service.

Retention of Personal Data

Your personal data will be stored securely and protected from unauthorized access. We are committed to keeping your information for as long as necessary to complete the booking and for any legal or accounting obligations. Your data will be deleted in accordance with the applicable legal provisions.

Sharing of Personal Data

Your personal data will be treated confidentially and will only be shared with BOOKINGS to manage your booking. We ensure that any third parties who may access your data in the context of the booking maintain an adequate level of security and confidentiality.

Rights of the interested party

As a data subject, you have specific rights regarding your personal information. You have the right to access, correct, delete or restrict the use of your data. You can also request data portability or oppose processing. If you wish to exercise these rights or have any questions regarding our privacy policy, please contact us using the contact information provided below.

Acceptance and Consent

By agreeing to book an appointment, you confirm that you have read and understood the privacy policy and consent to the processing of your personal data as described. You undertake to provide accurate and complete information during the booking process.
